

You're Invited to a Party at Bailie's Gymnastics!

We're pleased to have you join us for a Birthday Party. We would like you to know that our parties are fully supervised at all times, and the children will be instructed before the party that they must stay with the group at all times. There will not be anyone allowed to get on any equipment or go into any area of the gym without a Bailie's Staff member. We will focus on activities that all children can participate in rather than specific gymnastics skills. However, we will be using our gymnastics equipment for many activities and therefore our insurance requires that we obtain a signed waiver for every participant. We're sorry, but we are unable to make exceptions to this policy. You will need to send this signed waiver with your child before he/she will be allowed to participate.

We are located west of I-15 at 13100 S. Take 12600 South to Lone Peak Parkway (just west of I-15) and go south on Lone Peak. At the next stop sign, turn left. At the frontage road (Pony Express), turn right and follow to 13100 S. We are just north of IKEA and Furniture Row.

Because gymnastics involves speed, inversion of the body (going upside-down) and flight, there is always the possibility of injury. Some pieces of equipment are raised off the ground, which presents the risk of falling off, and mats and other obstacles result in an uneven surface in the gym. Due to these inherent risks, we are warning you that injuries do occur at times from participation in this sport. Parents are responsible for warning their child(ren) of the risks and potential for injury involved in participating in gymnastics. Parents should encourage their child(ren) to follow all safety rules at the gym.

I realize that Bailie's Staff Members are not physicians or medical practitioners of any kind. With the above in mind, I hereby release Bailie's Staff to render any first aid deemed necessary to my child(ren) in the event of any injury or illness, including transportation to a medical facility or the calling of an ambulance.

I, despite all reasonable precautions implemented for safety, am fully aware of and appreciate the risks, including the risk of catastrophic injury, paralysis, and even death, as well as other damages and losses associated with participation in the programs or activities. I knowingly and willingly assume all such risks for myself and on behalf of my minor child. Consequently, I hereby for myself, heirs, executors, and administrators, do waive and release any and all rights and claims for damages against the owners, operators, coaches, instructors, and other members of Bailie's Gymnastics from personal injury or accident of any sort or nature suffered by me and/or my minor child, the undersigned, by reason of participation or membership in classes, lessons, or any programs or activities of Bailie's Gymnastics. I, the minor's parent and/or legal guardian, understand the nature of these activities and the minor's experience and capabilities and believe the minor to be qualified, in good health, and in proper physical condition to participate in such activity. I hereby release, discharge, covenant not to sue, and agree to indemnify and save and hold harmless each of the releasee's from all liability claims, demands, losses, or damages on the minor's account caused or alleged to be caused, in whole or in part by the negligence of the "releasees" or otherwise, including negligent rescue operations. I further agree that if, despite this release, I, the minor, or anyone on the minor's behalf makes a claim against any of the releasees named above, I will indemnify, save, and hold harmless each of the releasees from any litigation expenses, attorney fees, loss liability, damage, or cost any may incur as the result of any such claim.
